

Guardiant™ Shield + Sneeze Guard (HSW32902)

Screen Option Single Screen

Guardiant Countertop Shield + Sneeze Guard

The Retail and Medical Guardiant™ Countertop Shield is a plexiglass sneeze guard built to help reduce the spread of contagious, airborne germs commonly spread by coughing or sneezing. Create a protective shield in any place of commerce that requires direct interaction between employees and customers in close proximity such as POS checkouts. **Guardiant Countertop Shield Part Number:**

- HSW32902: Countertop Single Screen 32.25" x 29" Clear Acrylic With 6.5" full length Window

Business Types:

Retail, Medical Clinics, Pharmacy, Grocery, Convenience, Dental Clinics

Product Benefits:

SOLID: Aluminum frame and clear acrylic construction.

PORTABLE: Fully collapsible; panels stack onto one another at a depth of 3 inches.

CLEANABLE: Able to be cleaned with wipes, bleach, or any common disinfectant.

SAFE: Tri panel build helps to mitigate airborne contact from coughing, sneezing, laughing, etc.

FUNCTIONAL: Barcodes can be scanned at checkout through the clear acrylic, preventing physical contact from transferring products.

STABLE: Each panel weighs 24 pounds, providing sturdiness so it is not easily tipped over. Additionally, adhesive strips or glue can hold the feet in place for added stability.

PRACTICAL: An opening at the bottom of the partition allows for the transfer of small items, papers, or payment for transactions. Feet risers allow cables for Credit/Debit to fit under the screen without additional check out modification.

DIMENSIONS: The 3 panel Countertop Screen is a 3'-3/4"H x 6'8" W clear acrylic partition and the single panel Screen is 29" H x 32.25" W

– One-year warranty

– Made in the USA

Available In:

USA, EMEA
